

Ragusa FD Excursion to Etna volcano and Taormina

Leaving in the morning together with your personal English speaking driver you will reach the Mount Etna to visit the volcanic area of the Crateri Silvestri (6000 ft.). Etna is the higher point in Sicily and an active volcano among the most important in Europe.

According to scheduled time you can either have your lunch time visiting a local winery or you can choose to get it in Taormina, where your driver will hang around with you, for a sightseeing of this charming City between the never-to-miss Greek-Roman theatre and the Villa Comunale actually a public garden planted with the largest variety of exotic plants.
