

Taormina full day excursion to Etna volcano and Catania

Leaving in the morning together with your personal English speaking driver you will reach the Mount Etna to visit the volcanic area of the Crateri Silvestri (6000 ft.).

Etna is the higher point in Sicily and an active volcano among the most important in Europe.

Then according to scheduled time you can either have your lunch time visiting a local winery or you can choose to get it in Catania, where your driver will hang around with you, for a sightseeing of the City between ancient Roman ruins in the archaeological park and the Baroque pieces part of UNESCO heritage.
