

Full Day 5 Terre

Experience an unforgettable day discovering the most impressive Ligurian place, an area, declared World Heritage by UNESCO, where earth and sea fuse to create a unique and unforgettable landscape. Twelves miles of rocky coasts made of caves, beaches and paths with breathtaking view. The excursion in 5 Terre may continue by boat and by train. You will visit the village of MANAROLA, a tiny urban jewel full of typical Genoese's style 'case-torri', the village of VERNAZZA overlooked by the remains of a castle and a Medieval cylindrical tower from the XI century, the village of RIOMAGGIORE, a XIII century village famous for its wine walking through its characteristic paths, the village of CORNIGLIA, the only village of the Cinque Terre not in contact with the sea, rising on top of a rock promontory, the village of MONTEROSSO, known as "the pearl of 5 Terre", an ancient fishing village that will catch your attention with the beauty of its beaches and the rich vegetation on the rocks. Three course fish-based lunch upon suggest in a typical restaurant perched on a cliff with beautiful view of the bay and free time for typical local shops in the city centre.
