

Full day Ancient Rome

Meet your driver at the hotel and start the tour in a comfortable limo, you will reach Venice Square with a short stop to see the Trajan Column at the beginning of the Imperial Forum road.

Then along the road you will see on the both sides the Imperial Forum, next stop at Coliseum, to visit the most worldly famous roman arena, and the Arch of Constantine.

Sightseeing will then proceed through the most well preserved bath of the age Caracalla Bath (where is summer time take place the opera). Followed by other well known arena of Circus Maximum set of great horse-chariots ride.

Next stop at Forum Boarium location of the original docks of Rome (Portus Tiberinus) in that area you will see the temples of Hercules Victor and Fortuna Virilis plus the church of St Maria In Cosmedin were mass is still celebrated in old latin language.

The place is better known as  
Bocca Della Verità  
(Mouth Of True)  
put your hand in the mouth and  
face your destiny.
