

Full day excursion to Temples Valley and Turkish Staircase

Leaving in the morning together with your personal English speaking driver you will reach the 'Temples' Valley for the visit of the archaeological area, from Temple of Juno surrounded by a beautiful landscape through the Byzantine arcosolia, the Concordia Temple and the Temple of Heracles, followed by the Temple of Zeus and the one of Castor and Pollux, for a two hours walking tour of the sight. Then from the 'Temples' Valley your driver will bring you to the amazing Turkish staircase, an awesome rocky cliff on the coast of Realmonte, near Porto Empedocle, with breathtaking view of lights and colors. There you will have the chance to take an unforgettable bath and/or a nice lunch at the beach.
